Our House Rules

- We want to be friendly and polite with each other.
- Our volunteers give their spare time for people in need of support.
- Please follow the order of picking up goods. The distribution is designed in a way that it ensures that customers are sometimes first or last.
- Anyone who shows unacceptable behavior while under the influence of alcohol or drugs is not welcome here and will be excluded from distribution.
- Please, do not smoke inside.
- Even though we like dogs (and other animals), they are not permitted here.
- Please leave the room quickly when you have received your goods, because crowding often leads to dispute.
- The instructions of our volunteers must be followed. Otherwise, we may exclude you from the distribution and ask you to leave the room.
- Violation of these house rules may lead to exclusion from distribution, and continued violation of the rules may lead to a complete exclusion from distribution and a house ban.
- Please contact the Executive Board with any complaints.
